

PORSCHE CLUB OF AMERICA

2015 RPM AWARDS

REGION PROCEDURE MANUAL AWARDS SECTION

PCA NATIONAL AWARDS, NATIONAL CONTESTS, COMPETITION AND AWARD WINNERS

OVERVIEW

The Awards Chair, within the Parade Committee, is responsible to the Club and the PCA Executive Council (EC) for the solicitation, data compilation, and presentation to the EC of all the nominations for:

- **The Lazar-Blanchard Memorial Trophy (PCA Enthusiast of the Year)**
- **The Ferry Porsche Trophy (PCA Region of the Year)**
- **The Porsche (PCA) Family of the Year Award**
- **The PCA Public Service Awards**

The Awards Chair also assists the PCA Newsletter and the Website Chairs, as well as the Zone Representatives in presentation of their awards. While at Parade, the Awards Chair compiles the data to determine the winner of **The President's Award** (The PCA Region with the most members traveling the longest distance to Parade) and the **Parade Long Distance Award** and works closely with the Master of Ceremonies to facilitate presentation of all National and Parade Awards.

Throughout the year, the Awards Chair will provide information to all Region Presidents and Zone Representatives about the awards. About January 1st of each year, the Awards Chair will solicit nominations from the Region Presidents and Zone Representatives for **The Ferry Porsche "Region of the Year"**, **The Lazar-Blanchard Memorial "Enthusiast of the Year,"** **The Porsche (PCA) Family of the Year** and the **PCA Public Service awards**. The solicitation encourages Presidents to nominate and submit entries for these four national honors and provides guidelines for the nominations. The solicitation also provides a due date for submission of nominations, normally March 1st. See **Guidelines for Submitting Nominations** (below).

After the nominations are received, the Awards Chair formats the nominations so that each competes with one another on an impartial basis. **The goal is to submit nominations to the EC for their review by May 1st, but not later than June 1st.** The Award Chair participates with the EC to determine the recipients of the award. During the discussions, the Awards Chair provides additional information and may make recommendations, if requested, but does not have a vote to determine the recipients.

The Awards Chair is also responsible for coordinating with PCA National Headquarters and others to arrange for transportation of all permanent (perpetual) national award trophies to the Parade site. The perpetual trophies are those original trophies for the various National and Parade awards that are presented to the recipients. The recipients may retain the perpetual awards, but must return them to PCA prior to the next Parade for refurbishing and engraving. The recipients are also awarded a "keeper" trophy. The Awards Chair works with the approved PCA vendor to design and procure these "keeper" trophies to be awarded to the winners at each Parade.

During the week of Parade, the Awards Chair also assists the EC and the Parade Emcee in the presentation of all National and Parade awards. The Awards Chair also assists the Trophy Chair as needed, in the organization of all Parade trophies. Those include:

- **The four (4) National Group Concours Trophies**
- **The Hoffman Rally Trophy**
- **The Woolery Navigational Trophy**
- **The Parade Autocross trophies** (Fastest Time of Day, Men's & Women's)
- **The Parade Technical & Historic Quiz Trophies** (Highest Scores, Men's & Women's)
- **The Zone Representatives' Award** (when presented)

Other national awards, within this Section, which are administered by other Committees:

- **The Membership Awards Competition**

- The Betty Jo Turner Award for Newsletter Excellence Contest/ The Heinmiller Award
- The Region and Zone Website Contest
- President's Parade Trophy
- Long Distance Award
- Excellence in Concours Restoration
- Honorary Concours Judges Award
- Concours People's Choice Award
- Concours People's Choice Award-Historic Porsche Display

More details on all National Awards, nomination procedures, prior winners (including Regions), can now be found at pca.org.

Guidelines for submitting nominations for The Region of the Year, The PCA Family of the Year, The Enthusiast of the Year, and PCA Public Service Awards:

Throughout the year, the Awards Chair will provide updates to Region Presidents and Zone Representatives about the National Awards and the awards process. **It is to the Region's advantage to start planning their nominations well in advance.** An Awards Committee or the Region Awards Chair could start collecting the data necessary for any submissions. When the solicitations for the awards are sent out, it is much easier to prepare the submissions, rather than having to amass all the information in short amount of time. **Only ACTIVE and FAMILY ACTIVE members, as defined in the PCA Bylaws, who are in good standing, can be nominated for a national award. And as has been the case in the past, National Staff members are not eligible for nomination.**

About January 1st, the Awards Chair will solicit nominations from all Region Presidents and Zone Representatives for the **Ferry Porsche Trophy (PCA Region of the Year)**, the **Porsche Family of the Year Award**, **Lazar-Blanchard Memorial Trophy (PCA Enthusiast of the Year)** and the **PCA Public Service Awards**. The solicitation is by email and will include details of the nomination guidelines for each award. The nominations are to be submitted to the Awards Chair no later than March 1. However, this date may be changed depending on when Parade is scheduled during the year.

Each nomination is submitted in narrative form and can include newsletter articles and photographs to support the nomination. The nominations for the **Porsche Family of the Year Award**, **Lazar Blanchard Memorial Trophy (PCA Enthusiast of the Year)** and the **PCA Public Service Awards** should not exceed **1,500 words** and can include two newsletter articles and five photographs. Nominations for the **Ferry Porsche Trophy (PCA Region of the Year)** are limited to **3,000 words** and must include two complete newsletters. An additional five (5) photographs may accompany this nomination.

Regions should recognize that while historical information is always important, all nominations should focus on what the nominee/nominees accomplished during the year immediately preceding the Parade at which the award is presented.

The PCA National Executive Council urges each Region to submit nominations for the various national awards and stresses that nominating a member, family or your Region, itself is one of the best ways to recognize the nominees for their service to their Region, their community and PCA. Even if the nominees are not the winner, the fact that the Region took the time and effort to nominate someone, is recognition in of itself.

Submissions are preferred in Microsoft Word format. However other formats such as .pdf files are acceptable. Nominations that are submitted in another format must also include a Microsoft Word copy of the narrative.

This Awards Chair is on the National Parade Committee. For any questions, or for more information, contact the National Parade Committee Chair or the Awards Chair, both of whom are listed in the back of *PANORAMA* under *‘AnyQuestions?’*

PART 1 - THE GLENN LAZAR-HARRY BLANCHARD MEMORIAL TROPHY - PCA ENTHUSIAST OF THE YEAR

The Lazar-Blanchard Memorial Trophy was established by the late Bruce "King Carrera" Jennings as an annual award to be presented to the Region member who best exemplifies the spirit and guidelines of PCA. The award is more commonly known as the "Enthusiast of the Year" Award.

Harry Blanchard
(1929-1960)

Glen Lazar was from Towson, Maryland. He was a very enthusiastic and well-liked driver who raced a Super Speedster with much success in regional and national events during the mid-to late 1950's. Mr. Jennings raced against Mr. Lazar for several years in a Super Speedster and later in Carrera Speedsters. Mr. Lazar died during a pre-race practice session at the National Lime Rock Fourth of July race in 1959 when his car veered off track and rolled four times.

Harry Blanchard was from Greenwich, Connecticut and was the owner of the Blanchard Automotive Corporation. Mr. Blanchard was "dyed in the wool" Porsche enthusiast and racer. In 1959, he won the SCCA National Production Sports Car Championship. Also in 1959, he drove an RSK to 8th place in the first and only Formula One Grand Prix at Sebring. He died in Argentina in 1960 when the RSK he was driving hit a concrete abutment.

Mr. Jennings said, "Glenn Lazar and Harry Blanchard were two Porsche enthusiasts and racers who died at the wheel of their Porsches, doing what they loved best - racing." Mr. Jennings founded the award to honor two of the finest dedicated sportsmen and Porsche production sports car racing drivers.

The recipient is a true "Porsche Enthusiast" and an outstanding member of PCA. The recipient is an exemplary participant in Region activities and shows initiative in support and organization of ongoing activities and the development of new activities. Any Active or Family member of PCA is eligible for this award, with the exception of any person serving in a position on the PCA National Staff during the award year.

The categories for evaluation are **Participation in Region Events and Activities and Participation in National, Zone and multi-Region Events**. The nominations are submitted in narrative form and should provide a brief summary about the nominee's goals and accomplishments supporting Region, Zone and National activities and why this Region member should be awarded the Lazar-Blanchard Trophy. Nominations may include five (5) Region newsletter articles and five photographs that support the nomination.

PART 2 - THE FERRY PORSCHE TROPHY - PCA REGION OF THE YEAR

The Ferry Porsche Trophy was first presented at Parade in 1961 and was sponsored by Porsche AG and the Porsche of America Corporation. The trophy is in memory of Dr. Ferdinand (Ferry) Porsche and PCA now sponsors this award. The trophy is presented to the outstanding **PCA Region of the Year**. The trophy is *“In Appreciation of Loyalty to the Porsche Car and the Porsche Idea”*. The winning Region demonstrates the highest standards in meeting the objectives and ideals of the Porsche Club of America.

The categories for evaluation are Level of Activity, Membership Growth and Retention, Community Service, Multi-Region Participation and Newsletter and Website Effectiveness.

The nominations are submitted in narrative form and should provide a brief summary about the goals and accomplishments of the Region, what made the Region stand out among all other PCA Regions and why the Region should receive the Ferry Porsche Trophy. Nominations may include two to five Region newsletters which support each category of the submission.

PART 3 - THE PORSCHE (PCA) FAMILY OF THE YEAR AWARD

The Porsche Club of America (PCA) Family of the Year Award was originally titled the “Leroy Spanjol Memorial Award” and first presented at Parade in 1968. The award was first sponsored by the Porsche Family and now continues to be sponsored by Porsche AG. The award was renamed the **Porsche Family of the Year Award** and presented under this title at Parade in 1974. The trophy is presented to the PCA Family which demonstrates the most exceptional standards in its support to their Region and PCA.

Any active member of the Porsche Club of America and his or her family members are eligible for this award. For purposes of this award, a family is defined as parents with children living at home, parents with no children living at home or a couple without children.

The categories for evaluation are the **participation, as a family, in Region Events and participation, as a family, in National, Zone and Multi-Region Events**. The nominations are submitted in narrative form and should include a brief summary about the family's accomplishments in support of these activities and why this family should receive the Porsche (PCA) Family of the Year Award.

PART 4 - THE PCA PUBLIC SERVICE AWARDS

Since PCA was formed in 1955, Regions have prioritized community service and charitable contributions. In 2002, PCA decided to recognize the unique and diverse programs implemented by Regions throughout PCA in support of public service.

The **PCA Public Service Awards** recognizes the Regions that have conducted the most outstanding charity or community service event or events during the year. The winning Regions demonstrate the highest standards in meeting the objectives and ideals of the Porsche Club of America in providing service and support to charities and the community. Due to the importance of public service to PCA and the number of PCA Regions involved in Public Service, it was decided to present multiple awards. Awards are presented for first, second and third place and honorable mention. The award includes a trophy and cash award.

The categories for evaluation are community service, charity events and a brief and concise statement describing what set the Region's Community Service and Charity Events apart from those of other Regions. Regions may submit one community service or one charity event; however Regions submitting multiple events or activities that occurred throughout the year will receive greater consideration, unless the single event is of such a magnitude or significance to preclude submission of more than one event.

PART 5 - THE BILL SHOLAR MEMORIAL AWARD

The **Bill Sholar Memorial Award** (“**The Sholar Award**”) is in honor of the founder of PCA. The award is presented to a member in recognition of outstanding contribution to PCA, above and beyond the execution of normal responsibilities. The award was created by the PCA Executive Council in 1982 after the death of Mr. Sholar. The award is presented at the discretion of the Executive Committee and may or may not be presented every year. Unlike other PCA awards, all Executive Committee, National Staff, Committee Chairs, Zone Representatives, Special Appointees and Honorary PCA members are eligible for the Sholar Award. The Sholar Award was first presented at Parade in 1982.

PART 15 - THE NATIONAL MEMBERSHIP AWARDS COMPETITION

In order to stimulate Regions to focus on membership recruitment, PCA established a National Membership Competition with a perpetual trophy, and cash awards to be presented at the Porsche Parade. The winner is determined by a formula with the Region having the **highest index** being the winner. A second category was later added to recognize the Region with the **highest actual net growth**.

The **National Membership Committee** administers the contest. The Guidelines:

1. The Campaign year runs annually from **January 1st to December 31st**.
2. Your Region must have been chartered as of December 31 of the prior year to be eligible. (i.e., December 31, 2009 for Campaign Year January 1, 2010-December 31, 2010.)
3. The cutoff date for receiving new member applications will be December 31st of each year. All applications and renewals for membership that expire on December 31 each year must be **RECEIVED** in the National Office by the close of business on that day. If the 31st falls on a weekend, then it is highly advisable to insure your membership applications reach the PCA National Office *prior* to that Friday.
4. Memberships received from all sources are eligible. This includes inquiries from our advertisements in various magazines, members brought in by existing members, the internet, etc.
5. Should a Region no longer be chartered during the course of a Membership Contest year, the starting count of the Region(s) gaining the territory of the dechartered Region will be adjusted to reflect the members from the transferred territory of the dechartered Region.
6. In the event a Region gives up territory for the creation of a new Region, the donor Region membership count, as of the start of the contest, will be adjusted downward by the number of members transferring to the new Region, at the time of its chartering, from the donor Region who were members of the donor Region at the time of the start of the membership contest.

There are two categories:

1. **The Index Category:** The winner is determined by a formula which equalizes the opportunity for any Region to win for the Index Category and is calculated as follows:

$$\text{INDEX} = \frac{\text{Growth} \times 100}{(0.03411 \times \text{Beginning Size}) + (2.0835 \times \text{the square root of Beginning Size})}$$

2. **The Actual Growth Category:** The Region with the largest actual growth is the winner of the Actual Growth Category and is determined by the following formula:

$$\text{End size} - \text{Beginning Size} = \text{Actual Growth}$$

NOTE: A Region can only win one category in any given year. Should the same Region actually have both the largest actual growth and the highest index, they will be declared ineligible for one, and only awarded the trophy/prize for the other category.

PART 16 - THE BETTY JO TURNER AWARD FOR NEWSLETTER EXCELLENCE/THE PAUL HEINMILLER MEMORIAL TROPHY

The Paul Heinmiller Memorial Trophy was previously awarded to the Region newsletter judged to be the most outstanding for the year, as part of the PCA Newsletter Contest. The Heinmiller Memorial Award was donated in 1970 by the Porsche+Audi Division of Volkswagen of America. Mr. Heinmiller was a past National Vice President. Under Mr. Heinmiller's leadership, *PANORAMA* became a professionally executed publication both in physical lay-out and graphic art, as well as in refinement of its contents. Almost every Region has members who belong to PCA because of *PANORAMA* and who continue to renew their memberships to receive what has become the finest single-marque, club-sponsored publication in the world.

The Betty Jo Turner Newsletter Award was created in 2012 to recognize retiring *PORSCHE PANORAMA* Editor Betty Jo Turner. This award replaced the Paul Heinmiller Memorial Trophy, which was retired. Betty Jo earned a degree in music from Wesleyan College and first became aware of Porsches in 1962. She saw legendary Porsche racer Bob Holbert win at Virginia International Raceway and became an enthusiast. She later became active in reviving the Peachstate Region in the late 1960's, even hand painted name tags for the Region. She personally signed up actor Steve McQueen as a Peachstate member.

Betty Jo was named Associate *PORSCHE PANORAMA* editor in December 1967 and wrote for *PANORAMA* in that capacity. She became Editor of *PANORAMA* in November 1969. At that time, it was just a 39-page magazine, mostly in black and white, with limited color print. She continued the professional development of *PANORAMA*, as begun by Paul Heinmiller.

Under her stewardship, the magazine evolved into a well-respected magazine with over 110 pages per issue, coated, full-color covers, internal use of color, digital printing, yet is produced at less cost per member than any comparable magazine. *PANORAMA* has won numerous automotive journalism awards under her management. Porsche Factory executives read each month's issue.

Betty Jo was adept at adopting new ideas for form and content and used demographic surveys to be responsive to the Club membership, producing a magazine which covers broader aspects of Porsche history and ownership, rather than just local Region activities. Not content to just write about Porsches, the garage of her and her husband, Leonard, have included a 1964 356 SC (daughter Lynn was partially raised in bassinet on its back deck), a 1964 904, a 1974 911 Carrera, and multiple 924, 944, and 968 examples.

She has contributed to numerous articles and a book, wrote the historical introduction to Linda Lewis' book, "The Fine Art of the Sports Car," and has served as a historical resource for both Porsche and PCA. Betty Jo made many personal friends within PCA, Porsche Cars North America, and the Porsche Factory, all of whom have provided considerable material for the magazine. She has conducted and published interviews with Porsche family members, including Ferry, Peter, Wolfgang, Butzi, and Gerd; factory executives (such as Ernst Furmann and Peter Schutz); engineers (such as Helmuth Bott), the legendary Husche von Hanstein, and many others, including PCA founder Bill Sholar.

Betty Jo was first winner of Bill Sholar Award in 1982, for outstanding contributions by a PCA National Staff member. She was named co-Grand Marshal (along with the head of PCNA) for the 2007 Rennsport Reunion and was the keynote speaker.

For the PCA Newsletter Contest, Regions compete in one of five classes, based on Region membership as of December 31st of the competition year. Basing the classes on Region membership is intended to ensure that Regions competing for the five separate class awards have reasonably equal resources. The Betty Jo Turner Award for Newsletter Excellence does not duplicate any of the class awards.

The evaluation criteria are: **Information and Navigation, Overall Layout & Appearance, Editorial Commentary, Event Publicity & Follow-Up, Photography and/or artwork (Illustrations, Clipart), Technical Articles & Automotive Tips, Availability in Digital Format to Members, Features & Article Contributions from Members, and General Scope and Variety.** Top editors from around the country are selected to help with the judging of other Regions' newsletters. They assign scores for each category. Points are given for the number of issues published by the Region during the year. Once class winners have been decided, the top entry from each class is then re-evaluated by a second set of judges to determine the overall winner of the Betty Jo Turner Award for Newsletter Excellence.

Wendy Shoffit is the National Newsletter Chair and may be reached for additional information at 1112 Santa Fe Trail, Irving, TX 75063 Wendy@shoffit.com.

PART 17 - THE PCA REGION & ZONE WEBSITE CONTEST

Annually, PCA conducts a contest in which competing Region and Zone websites are judged for editorial excellence, design effectiveness, user friendliness, up-to-date content, and its usefulness to the Region and its members. The **PCA Website Committee** administers the contest.

All PCA Regions and Zones are encouraged to participate and submit their websites for judging. Contest rules and guidelines will be published on the PCA.org website. Go to “**National Awards**” in the “**Forms & Documents**” section under “**Regions**” on pca.org. The deadline for entry submission is April 1, with judging in May. The current Website Contest is an on-line, web-form entry system, eliminating the prior unwieldy pdf. entry forms.

Regions compete in one of five contest classes, based on membership size, according to the PCA national membership records as of December 31st of the specified year. Zone websites will be judged in their own class.

A group of judges, PCA members with distinguished web-writing, editing and design experience, will evaluate each website entered and assign a 1-5 score for the following categories:

1. User-friendly navigation, allowing the user to easily find information on the site
2. Effective use of color, graphic design elements, and photos to enhance the users' on-line experience
3. Homepage with obvious links to PCA Zone (if applicable) and pca.org. (For Zone websites, links to member Regions, pca.org and to the other PCA Zone websites.)
4. Site is up-to-date. Content must include current event/calendar information
5. Calendar page displaying Region's and/or Zone's upcoming events
6. Link to the PCA National Calendar: www.pca.org/Calendar/PCACalendar.aspx
7. Region or Zone Officer Contact Page (with contact information for each officer)
8. User-friendly photo-gallery (ability to download photos, allow for user comments, etc.)
9. Recent (with add-date info) news, events, personality or tech feature
10. Region newsletter online
11. “About Us” page describing the flavor and event-emphasis of the Region or Zone with an emphasis on enticing new members
12. History page detailing history of the Region or Zone with representative historical photos and some narrative educating its users on the origins and early activities of the Region or Zone
13. Easily accessed and user-friendly online event registration (either with a Region- or Zone-created online form or through a recognized online registration firm such as, but not limited to, motorsportreg.com or clubregistration.net)
14. On-line Goodie Store
15. Professionally displayed (balanced, aesthetically appealing layout) and effective links to Region or Zone sponsors and supporters
16. Effective integration of social media (such as Facebook, YouTube or Twitter)
17. “Join PCA” link and page describing the advantages of joining PCA
18. Page for member submission guidelines for both website and newsletter
19. Classified ads
20. Link and page for Region reference materials (such as event chair guidelines, autocross maps, etc.)

Tie-breaker: Describe how your website has contributed to member recruitment and retention.

The scores from the judges will be totaled for each entry, and awards are given to the top finishers in each class, dependent upon the number of entries. Judges will provide written feedback and suggestions for improvement to each Webmaster who enters the contest.

Because of the nature of the web, Webmasters may update their website's content and design at any point during the year, including the allotted judging period. However, the judges' scores are based on the Region website's online view, as the judge is scoring. Webmasters may not request the judging wait until a new feature is added, or an old one is deleted.

These are the basic guidelines for the current year, but note that these recommendations are continually evolving. Web based communication is a fluid and dynamic force and Regions need to keep changing with it. Technologies are rapidly evolving, as are the expectations of our users. Webmasters need to continually monitor the “pulse” of the web and any trends and to stay current with the expectations of the visitors to the site.

The **PCA Best Overall Region Website Trophy** is awarded to the Region website given the highest total score by the judges. This award does not duplicate any of the class winners. This will be for the website with the highest overall score, regardless of class. The best overall site will then be separated from its class and the next highest scoring site will be designed first in class, with all other ranked sites in class moving up one place. The **PCA Best Overall Region Website** perpetual trophy is retained at PCA headquarters, inscribed with each winning Region's name. A separate “keeper” trophy will be awarded to each winning Webmaster. Zone websites are not be eligible for this award.

Finally, please remember the PCA website contest is designed as a contest among Regions for the purposes of comparison and friendly rivalry. Even carefully judged contests of this nature will be subjective. **The real value of any Region website is to effectively serve its members, Region, and Zone.**

The current Website Contest Chair is Don Roof. He may be contacted at don_roof@yahoo.com.

PART 18 - PCA NATIONAL OFFICER AND STAFF APPRECIATION AWARDS

These award certificates are presented to those individuals at the end of their term of office who have served the Porsche Club of America, Inc. as a National Officer, or as a member of the PCA National Staff. It is intended as a formal “*Thank You*” for service rendered to the Club and its Regions by members who have put in their personal time and effort, without compensation. These certificates are given out to the recipients during the Porsche Parade, at one of the major award ceremonies, in recognition and appreciation of their service.

PART 19 - PRIOR PORSCHE PARADE AWARDS

THE HOFFMAN PARADE CUP (Award discontinued 1978.)

The "*Hoffman Parade Cup*" was presented to the person who accumulated the highest overall score in the Parade Rally, Autocross, and Concours d'Elegance. Each of these event scores was based on a maximum attainable score of 100 points. The award was presented for the last time at the 23rd Parade at Aspen, Colorado in 1978. The PCA Board of Directors voted to discontinue the award at the July 1978 meeting in Aspen, Colorado and it is now on display in the PCA National Office in Columbia, Maryland.

PARADE CHAIRPERSON'S TROPHY

(Discontinued after the 2009 Parade at Keystone, Colorado.)

This traveling trophy was awarded annually to the Parade Chair or Co-Chairs for their efforts in hosting that year's Porsche Parade. The trophy contains the engraved names of all Parade Chairs from 1956-2009. PCA retired this trophy in 2010, when the National Parade Committee took responsibility for managing Parades. The trophy is now on display at the PCA National Office. For a complete list of all Parade Chairs and Co-Chairs, see page 13-14.
