PCA Club Racing doubleheader weekend visits the Empire State at Monticello Motor Club and messes around with Texas at Circuit of the Americas

Columbia MD— PCA Club Racers took to the a pair of the most premier facilities in North America this weekend when racing at Monticello Motor Club and Circuit of the Americas, which has hosted the US Grand Prix since 2012.

Chip Romer held off Andy Wilzoch and Joe Toussaint in GTA2 class throughout the weekend, breaking the 2:14 barrier in the process. Charles Bray bested Bill Smith in a tight SP996 battle in a class that is growing in both size and competition. Luke Oxner gave SPB drivers at COTA a break by trying on a GTC3 Cup car on for size, and promptly took a checkered flag. John Gladwill, Thomas Jones and Chris Drake were quick to take advantage of Oxner's absence in SPB, making major points grabs in the championship race.
